## VORWORT | PREFAZIONE | PREFACE

Die Auswahl an Getränken erfolgt nach bestem Wissen und Gewissen. Wir sind regional und sehr nachhaltig. Wir haben Tonic aus Südtirol, alten Whisky aus Südtirol und aus Schottland, wunderbaren Rum aus der Karibik und Gin von überall her. Wie geht das zu vereinen? Eigentlich geht das nicht möchte man meinen. Wir sind saisonal, fair und verwenden kein Plastik. Das ganze Berghotel ist energieeffizient und es wird fast nicht weggeworfen. Wir essen und trinken gerne und wir lieben es zu genießen. Und dazu gehört manchmal Prinzipien über Bord zu werfen, das Leben zu genießen und alles zusammen nicht so wichtig zu nehmen. Wir wünschen Ihnen spannende Begegnungen!

La scelta delle bevande viene fatta al meglio delle nostre credenze. Siamo regionali e molto sostenibili. Abbiamo acqua tonica del Sudtirolo, vecchio Whisky dal Sudtirolo e dalla Scozia, bellissimi rum dai Caraibi e Gin da tutte le parti. Come si possono conciliare queste differenze? Sembra difficile. Siamo stagionali, solidali e non usiamo la plastica. Tutto il Berghotel cerca di sprecare il meno possibile. Ci fa molto piacere mangiare e bere bene ed ogni tanto scordarci dei nostri principi. Saper vivere e gustare l'attimo e di non prendere tutto troppo sul serio. Auguriamo bellissimi momenti di gusto!

The choice of beverages is made to the best of our knowledge and belief. We are regional and very sustainable. We have tonic from South Tyrol, old Whisky from South Tyrol and from Scotland, wonderful Rum from the Caribbean and Gin from everywhere. How this is it possible to combine? Actually that should not be possible, one might thing! We are seasonal, fair and we do not use plastic. All the Berghotel tries to waste as little as possible. We love to eat and to drink good stuff and to enjoy. This includes sometimes to disregard their own principles, to enjoy the moment and to take himself not always too seriously. We wish you beautiful hours in the mountains!

Grappa pazientemente custodita nelle cantine sotterranee delle Poli Distillerie, distillata a vapore fluente.
